

## Recreation Updated Covid -19 Guidelines and Policies June 25, 2021

### **Indoors Programming at a Northeast Arc Facility:**

- Staff, participants and volunteers will be required to wear mask indoors where 3 feet social distancing is not able to be maintained.
  - a. For both vaccinated and unvaccinated folks

### **Outdoor Programming at a Northeast Arc Facility:**

- Staff, participants and volunteers are not required to wear masks for outside activities.
  - a. For both vaccinated and unvaccinated folks

### **Indoor and outdoor community space where Recreation is running a program:**

- Masks are not required for community activities in public space and for other non-Arc community space, mask use would be determined by the space regulations.
  - a. Unvaccinated folks are encouraged to wear a mask indoors.

### **Staff, Participants, Visitors and Volunteers Code of Conduct and Attestation forms:**

- Attestation forms are NO LONGER needed for staff, visitors or volunteers when entering a Northeast Arc building. If anyone is sick (no matter what their symptoms) they should remain out of the office, work from home if applicable and not attend in person recreation programming.
- All staff will follow the Northeast Arc Recreation Call out procedure.
- Staff must check each participant for symptoms (including temperature checks) at the start of all indoor, outdoor and community based recreation programming regardless of where program is taking place.
- Participants, guardians and caretakers will provide one Code of Conduct Form for all programming. The copy provided will be kept on file for the duration of the Summer Session.

### **Sanitization:**

- Sanitation of hands, equipment, materials and tables used will continue to be sanitized before during and after all Recreation Programming.

### **Food during Recreation Programming:**

- Snacks will be provided to participants during Friday Night Happenings in individualized bags when possible.
- Sharing of food, drinks and personal property is still prohibited for all staff, participants and volunteers.

### **During all circumstances:**

- When in doubt; it is good to wear or mask or have one readily available at all times.
- Recreation staff have the authority to ask any staff, participants or volunteer to wear a mask if 3 feet of social distancing cannot be maintained regardless of the individual being vaccinated or not.

*Our main goal is to keep each individual safe and healthy as we transition back to our new normal! We appreciate your understanding and cooperation as we continue to navigate these circumstances.*
