

Caning Company of The Northeast Arc

**"One of New England's
best kept design secrets"**

— Design New England

Northeast Arc has been providing employment training and opportunities for people with disabilities since 1958.

By supporting the Caning Company, you offer your neighbors with disabilities the opportunity to earn a paycheck **doing work that they love**. The Caning Company specializes in all traditional weaves, and our pieces can be found in homes, businesses and yacht clubs throughout the North Shore, and in the Lincoln Presidential Library.

Hand cane

Pressed cane

Fiber rush

Porch weave

Shaker tape
