

ACCESS Summer

Northeast Arc's guide to accessible camps
in Northeastern, MA and beyond!

Scan the QR code here to access the complete camp guide or visit:
<https://tinyurl.com/NEArc2026CampGuide>

Northeast Arc's Community Resource Center has compiled a guide to local accessible and inclusive summer camp opportunities for kids, teens, & adults. All camps listed promote accessibility and inclusion, or have processes in place to fulfill requests for inclusion services/supports.

Know Your Rights!

Childcare organizations (including camps) are required to make accommodations for kids with disabilities. If you're interested in a camp that doesn't mention additional supports, contact them and ask!

For information about regulations related to accommodations for kids with disabilities in family, group, and school age childcare programs, see Section 13 on Page 12 here:
